

September

We are kicking off the school year with a warm "Welcome to Orange Seeds". This month we will be slowly getting to know one another, familiarizing ourselves with classroom rules and routines, learning about our feelings and emotions, as well as building empathy and cultivating cooperation.

MARK YOUR CALENDAR:

09/09 - Family BBQ (Family Event)

CLOSED:

04/09 - Labour Day

05/09 - PD Day

October

As the leaves begin to turn orange we begin learning all "About Fall". We will gain a greater understanding of our natural world and the changing seasons. October is the perfect month to discuss the concept of giving thanks along with the importance of harvesting, just in time for Thanksgiving. To top it all off, expect a spooky surprise for Halloween.

MARK YOUR CALENDAR:

31/10 - Halloween: Magic Show

CLOSED:

09/10 - Thanksgiving Day

20/10 - PD Day

November

Culture is a key component of the Montessori method, which is why we will be exploring "Cultural Diversity in November". Taking a trip around the world, we will discover various festivals along with traditional music and dances. To deepen our understanding of culture, students will be able to establish their understanding through artistic expression.

MARK YOUR CALENDAR:

15/11 - Puppet Show

22/11 - Stay & Play Parent Workshop

27-01/11 - Parent Teacher Conferences

CLOSED:

24/11 - PD Day

December

This December, we invite our children to discover the wonders of winter and the joy of the festive season. During our winter exploration, children will learn about the magic of snowflakes, the changes that occur during the seasons, and fascinating facts about winter animals. We'll also dive into the rich traditions of this special time of year.

MARK YOUR CALENDAR:

14/12 - Santa Visit (Toddler Family Event)

15/12 - Winter Production (CASA Family Event)

CLOSED:

25/12 - Christmas Day

26/12 - Boxing Day

TERM ONE

2023

January

To greet 2024, we will be going back in time to "The Prehistoric Ages". They will not only transform into time travelers to meet some dinosaurs, but they will also have the opportunity to become budding paleontologists. During this time, they will learn all about fossils and their significance in understanding history.

MARK YOUR CALENDAR:

31/01 - When I Grow Up Day

CLOSED:

01/01 - New Year Day

22/01 - PD Day

February

"Health" is always an important topic, regardless of age. February focuses on teaching our children about their growing bodies and how to take care of them. From hygiene to nutrition, students will partake in a multitude of hands-on activities to build awareness and promote making healthier choices.

MARK YOUR CALENDAR:

14/02 - Valentine's Day

21/02 - Phonics workshop

CLOSED:

16/02 - PD Day

19/02 - Family Day

March

Everyone's favourite time of the year: "Science Month". The world of STEM is a wondrous place for our little Orange Seeds to explore. This time around, we will be focusing on areas such as coding, engineering, and space exploration to cultivate a love for science in our fast-paced world of technology.

MARK YOUR CALENDAR:

06/03 - Mad Scientist Day

08/03 - International Women's Day

22/03 - Science Fair (CASA Family Event)

25-28/03 Parent Teacher Conferences

CLOSED:

29/03 - Good Friday

TERM TWO

2024

April

With Earth day fast approaching, April marks a time for topics on our "Earth and Environment". Our children will learn about various ecosystems and their inhabitants. Followed by activities exploring how we can help save and protect our oceans. To round up the month, we will emphasize the importance of recycling in protecting Mother Nature.

MARK YOUR CALENDAR:

04/04 - Exotic Zoo Visit

23/04 - Earth Day

CLOSED:

08/04 - PD Day

May

As the flowers begin to blossom, our little Orange Seeds will be "Exploring the Natural World". Students will be tending their classroom gardens whilst learning about different plant, insect and bird species. There will be plenty of activities revolving around the life cycle, weather, and patterns of nature.

MARK YOUR CALENDAR:

10/05 - Mother's Day Celebration

28/05 - Petting Zoo

01-02/05 - Picture Day

CLOSED:

20/05 - Victoria Day

June

We are embracing the start of summer with "Summer Adventures and Underwater Discoveries". Our students will discover all that the beach has to offer, learning about fish, seashells, and the ocean. To amp up the fun, we will learn and partake in various summer sports to inspire future athletes.

MARK YOUR CALENDAR:

14/06 - Father's Day Celebration

17-21/06 - Parent Teacher Conferences

28/06 - Graduation

CLOSED:

03/06 - PD Day

July & August

We are departing on our annual "Storybook Adventure". To inspire a love for reading, students will take part in book-based activities to transport them into their chosen world. Over the summer we will continue supporting their phonic language development all the while soaking in some summer fun!

MARK YOUR CALENDAR:

24/08 - Orientation Day

CLOSED:

01/07 - Canada Day

05/08 - Civic Holiday

TERM THREE

2024
